

ORTHOPAEDIC & SPINE
CENTER OF THE ROCKIES

Hand & Upper Extremity Orthopaedic Surgeon Northern Colorado

We are searching for a BC/BE hand and upper extremity orthopaedist to join our group in 2019. Fellowship in Hand/UE required. We prefer a surgeon completing fellowship in 2019 following residency.

Orthopaedic & Spine Center of the Rockies is a 29-member, physician-led group, with offices in Fort Collins, Loveland, and Greeley, CO.

We have subspecialists in Hand/UE, Trauma, Spine, Foot & Ankle, Hip & Knee, Shoulder, Sports Medicine, and Pediatric Orthopaedics, as well as General Ortho. Our surgeons are fellowship-trained and board-certified by the American Board of Orthopaedic Surgery.

The group also includes Primary Care Sports Medicine, Podiatry, Physiatry, and Neuropsychology.

We're a busy, growing practice founded 1969, featuring exceptional quality, collegial relationships, and outstanding facilities. We've added new physicians in 2008-2017. We've built a new office in Loveland, expanded our office in Fort Collins, and opened a new clinic in Greeley in the past 8 years.

Our hand surgeons take general call plus hand call, and perform microvascular procedures. Some outreach clinic may be required.

Fast Facts: * 3 clinic sites * 2 physician-owned surgery centers * MRI * Therapy * DR/PACs * Coverage for 2 hospitals, including regional trauma center, (1- level II, 1- level III) with paid general call, plus free-standing ER's.

Enjoy northern Colorado's special blend of urban lifestyle and outdoor activities, along with mild seasons, excellent schools, and Colorado State University.

We offer partnership with multiple investment opportunities, regionally competitive recruitment package, and an opportunity to join an outstanding team. Benefits include health, life, dental, vision, and disability, plus relocation allowance, flexible spending account, 401k, defined benefit plan, and profit sharing.
