Overview

The symposium will focus on orthopaedic issues that may be seen by many primary care, occupational medicine, ER physicians, and PA's and NP's, as well as chiropractors, therapists, RN's, AT's, and RTR's.

Participants will review information relevant to orthopaedic diseases and treatments, and be able to apply new knowledge and skills. Symposium objectives will be provided in the conference materials. The presenters from OCR have board certification and fellowship training in their subspecialties.

Certificates

AMA

The University of Tennessee College of Medicine designates this live activity for a maximum of 5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP

This Live activity, 2018 Orthopaedic Symposium, with a beginning date of 04/28/2018, has been reviewed and is acceptable for up to 5.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PA's, NP's and Nurses

Physician Assistants, Nurse Practitioners and Nurses may use these credit hours toward certification renewal. This credit is acceptable by American Academy of Physician's Assistants (AAPA), American Nurses Credentialing Center (ANCC), and American Academy of Nurse Practitioners (AANP).

PT's, OT's, Chiropractors

General credit certificates are provided by UTCOM, as has been done at previous conferences.

RTR's

We anticipate applying to ASRT for credits.

AT's

General credits and certificates are available from our CME provider, UTCOM.

Certificate and Credit Process

CME and general certificates of attendance will be available from the University of Tennessee College of Medicine following the conference.

If you need credits for the conference from UTCOM, you will verify your name, credential, and email address at check-in the day of the event. This will be done at the credits table.

UTCOM will email you after the conference, regarding conference evaluation and certificate. Your certificate will be available online.

Conference Presenters

Rocci V. Trumper, MD

Orthopaedic Surgeon, Sports Medicine

Rocci Trumper specializes in operative sports medicine and disorders of the knee (including knee replacement). Dr. Trumper earned his medical degree at the University of South Dakota. He completed residency at State University of New York, Syracuse, and sports medicine fellowship at Methodist Sports Medicine Center, Indianapolis. He is one of OCR's team physicians for Colorado State University. He has been a member of OCR since 1995.

Alissa Wicklund, PhD

Neuropsychologist, Sports Concussions

Alissa Wicklund's specialty is neuropsychology, focusing on diagnosis and treatment of sports concussions. She earned her doctorate in psychology at Northwestern University's Feinberg School of Medicine. Dr. Wicklund completed a two-year program as a fellow in neuropsychology at Northwestern. Dr. Wicklund serves as concussion specialist for CSU, the Avalanche, Rapids, and Broncos. She joined OCR in 2014 after eight years in private practice in Chicago.

Wesley P. Jackson, MD

Orthopaedic Surgeon, Athletic-Reconstructive Surgery of Foot and Ankle

Wes Jackson specializes in athletic and reconstructive surgery of the foot and ankle, including ankle replacement surgery. He completed medical school at Northwestern University, residency at Henry Ford Hospital, and foot-ankle fellowship at University of Texas/Houston-Baylor. Dr. Jackson joined OCR in 2006.

Robert M. Baer, MD

Orthopaedic Surgeon, Trauma-Fractures

Rob Baer specializes in trauma and fracture surgery. Dr. Baer earned his M.D. at St. Louis University. He completed residency at Henry Ford Hospital in Detroit, and an orthopaedic trauma fellowship at Panorama Orthopedics/St. Anthony's Central in Denver. Dr. Baer has been a member of OCR since 2006.

Conference Presenters *continued*

Riley W. Hale, MD

Orthopaedic Surgeon, Hip Replacement and Trauma-Fractures

Riley Hale specializes in anterior hip replacement and trauma-fracture surgery. He joined OCR in 2016 after five years of practice with a health system in northern Colorado. Dr. Hale completed medical school at the University of Nevada, residency at the Mayo Clinic, and a fellowship in orthopaedic trauma at Florida Orthopaedic Institute-Tampa General Hospital.

Michael J. Houghton, MD

Orthopaedic Surgeon, Athletic-Reconstructive Surgery of Foot and Ankle

Mike Houghton specializes in athletic and reconstructive surgery of the foot and ankle, including ankle replacement surgery. He completed medical school at the University of Colorado, residency at the University of Wisconsin Hospital, and foot-ankle fellowship at Harborview Medical Center, Seattle. Dr. Houghton is active in national research projects. He has been a member of OCR since 1997.

C. Dana Clark, MD

Orthopaedic Surgeon, Hip-Knee Replacements

Dana Clark specializes in joint replacement surgery (anterior hip and knee). Dr. Clark joined OCR in 2009. He earned his M.D. at the University of New Mexico. Dr. Clark completed his residency at the University of South Carolina/Greenville Hospital System, and fellowship in joint replacement at the University of Utah.

Bret C. Peterson, MD

Orthopaedic Surgeon, Hand and Upper Extremity

Bret Peterson specializes in surgery of the hand and upper extremity. He earned his medical degree from the University of Colorado. Dr. Peterson completed his residency at Duke University and hand-upper extremity fellowship at the University of Washington. He joined OCR in 2013. He is a native of Fort Collins and graduate of Rocky Mountain High School.

Conference Presenters *continued*

Satoru T. Chamberlain, MD

Orthopaedic Surgeon, Hand and Upper Extremity

Satoru Chamberlain specializes in surgery of the hand and upper extremity. Dr. Chamberlain joined OCR in 2002. He completed medical school at the University of Queensland, Australia, and residency at several Australian and British hospitals, including the Greenslopes Private Hospital. Dr. Chamberlain completed a fellowship at Pulvertaft Hand Centre in Derby, U.K.

Ryan L. Hartman, MD

Orthopaedic Surgeon, Pediatric Orthopaedics and Sports Medicine

Ryan Hartman joined OCR in 2011 as a specialist in pediatric orthopaedics and operative sports medicine. He completed his medical degree at the University of Colorado, residency at Vanderbilt University, and fellowship in pediatric orthopaedics at Children's Hospital, Aurora. Dr. Hartman also did a sports medicine fellowship at Cincinnati Sports Medicine Center. He is a graduate of Fort Collins High School.

Nathan A. Hunt, DPM

Podiatry, Diabetic Foot and Wound Care

Nathan Hunt joined OCR in 2010 as a specialist in podiatric medicine and diabetic foot and wound care. Dr. Hunt completed podiatry school at Scholl College and residency at Loyola University Medical Center/Edward Hines Jr. Veterans Affairs Hospital. He did a two-year fellowship in diabetic foot-wound care at Texas A&M Medical School/Scott & White Hospital. He is a native of Fort Collins.

Ben Giltinan

OCR Orthopaedic Technician

A long-time employee of OCR, Ben has spent many years taking care of patients in our cast room and providing them with both basic and custom cast-splint-brace services. He regularly instructs on splinting and casting techniques. During his OCR career, Ben has also served as purchasing manager. His current position is Durable Medical Equipment Manager.
