## SPECIALIZED CARE FOR ATHLETES

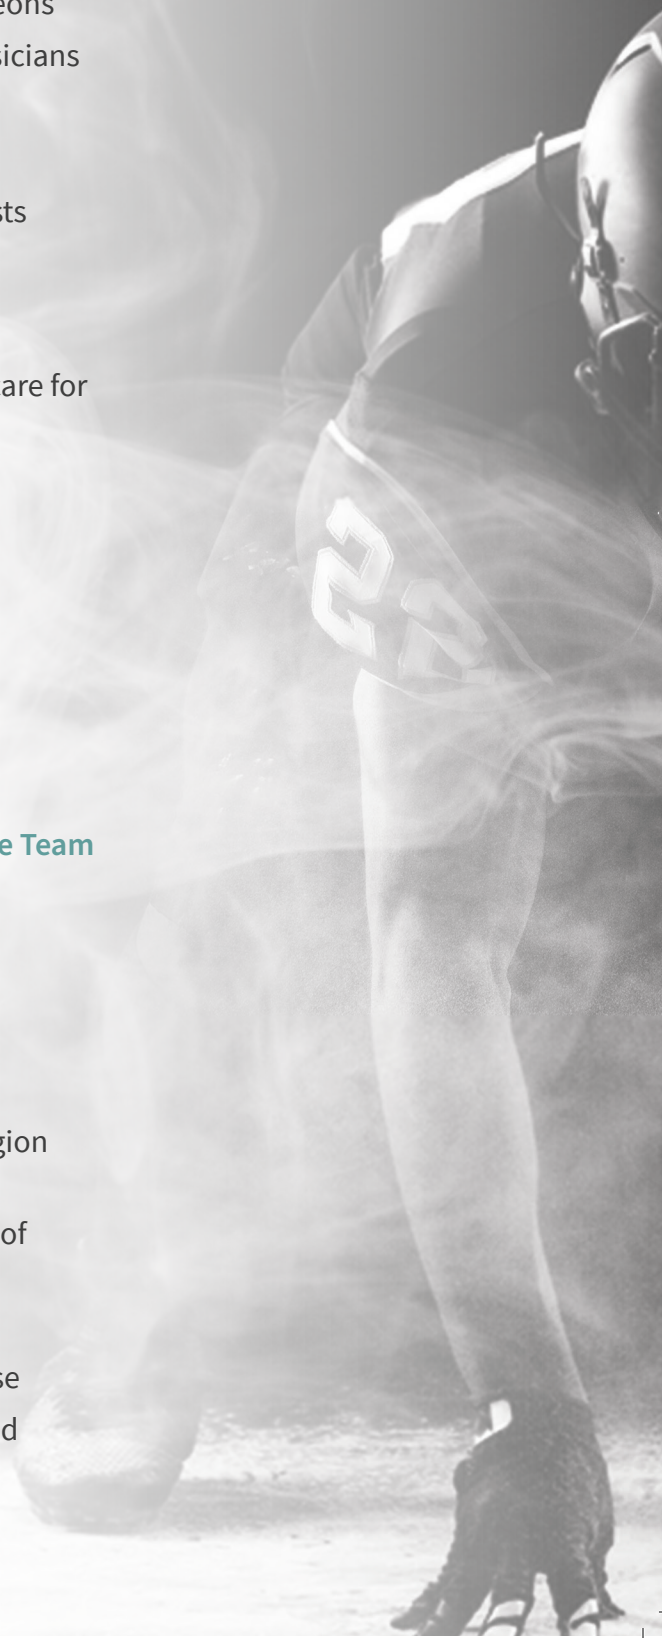

OCR's doctors provide highly specialized care for athletic injuries, including:

- Knees
- Ankles
- Hips
- Shoulders
- Hands - Arms
- Concussions
- Complex Injuries

**OCR serves as the official Sports Medicine Team for Colorado State University Athletics.**

## WHY CHOOSE OCR

- Comprehensive, highly specialized physician care
- Serving athletes in a three state region and beyond
- Surgeons specializing in each area of orthopaedics
- Founded in 1969
- 50 years of experience and expertise
- Doctors with board certification and specialized, fellowship training

# CONCUSSIONS ARE A TREATABLE INJURY

## OCR's Regional Concussion Center Features:

- Comprehensive evaluation of athlete's symptoms, thinking abilities, mood, and behavior
- Neurocognitive screening tools include ImPACT™ (Immediate Post-Concussion Assessment and Cognitive Testing)
- Pre-season baseline cognitive testing for individual athletes or clubs
- Post injury assessment
- Active rehabilitation and targeted exercise treatment
- Individualized plan for return to learn and return to play
- Provide education for clubs and community on best practices for concussion management

**Early intervention and a well-managed treatment plan provide the best recovery from a concussion**
