2022

ORTHOPAEDICS SYMPOSIUM

Information on orthopaedic topics for Primary Care, Occupational Medicine, and ER Physicians, and Mid-Level Providers

The conference is also designed for PT, OT, AT,
RN, DC, and RTR professionals.

Presented by the Physicians of the
Orthopaedic & Spine Center of the Rockies

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Tennessee College of Medicine and the OrthoForum. The University of Tennessee College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

7:00 a.m. to 2:30 p.m.

Saturday, April 30, 2022

Embassy Suites

4705 Clydesdale Pkwy, Loveland

OVERVIEW

The symposium will focus on orthopaedic issues that may be seen by many primary care, occupational medicine, and ER physicians; PAs and NPs; as well as chiropractors, therapists, RNs, ATs, and RTRs.

Participants will review information relevant to orthopaedic diseases and treatments, and be able to apply new knowledge and skills. Symposium objectives will be provided in the conference materials. The presenters from OCR have board certification and fellowship training in their subspecialties.

Certificates

AAFP

This live activity, 2022 Orthopaedics Symposium, with a beginning date of 04/30/2022, has been reviewed and is acceptable for up to 5.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMA

The University of Tennessee College of Medicine designates this live activity for a maximum of 5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PAs, NPs, and Nurses

Physician assistants, nurse practitioners, and nurses may use these credit hours toward certification renewal. This credit is acceptable by American Academy of Physicians Assistants (AAPA), American Nurses Credentialing Center (ANCC), and American Academy of Nurse Practitioners (AANP).

PTs, OTs, and Chiropractors

General credit certificates are provided by UTCOM, as has been done at previous conferences.

RTRs

ASRT credit application in progress.

ATs

General credits and certificates are available from our CME provider, UTCOM.

Certificate and Credit Process

CME and general certificates of attendance will be available from the University of Tennessee College of Medicine following the conference.

If you need credits for the conference from UTCOM, you will verify your name, credential, and email address at check-in the day of the event. This will be done at the credits table.

UTCUM will email you after the conference, regarding conference evaluation and certificate. Your certificate will be available online.

CONFERENCE PRESENTERS

Rocci Trumper, MD

Orthopaedic Surgeon, Sports Medicine – Knee Surgery

Rocci Trumper specializes in operative sports medicine and disorders of the knee (including knee replacement). Dr. Trumper earned his medical degree at the University of South Dakota. He completed his residency at State University of New York, Syracuse, and his sports medicine fellowship at Methodist Sports Medicine Center, Indianapolis. He is one of OCR's team physicians for Colorado State University. He has been a member of OCR since 1995.

Alissa Wicklund, PhD

Neuropsychology, Sports Concussion

Alissa Wicklund specializes in sports concussions and neuropsychology. She received her doctorate degree and completed her fellowship in neuropsychology at the Northwestern University Feinberg School of Medicine in Chicago. Dr. Wicklund joined OCR's sports medicine program in 2014 after eight years of private practice in the Chicago area.

Vincent “Skip” Ross, MD

Sports Medicine Physician

Vincent Ross specializes in sports medicine and non-surgical orthopaedics. He joined OCR in 2008 after 20 years of sports medicine practice in Cheyenne. Dr. Ross earned his medical degree from Creighton University in Omaha, and completed his residency training at the University of Wyoming.

Bret Peterson, MD

Orthopaedic Surgeon, Hand and Upper Extremity

Bret Peterson specializes in surgery of the hand and upper extremity. He earned his medical degree from the University of Colorado. Dr. Peterson completed his residency at Duke University and hand-upper extremity fellowship at the University of Washington. He joined OCR in 2013. He is a native of Fort Collins and graduate of Rocky Mountain High School.

CONFERENCE PRESENTERS continued

Satoru Chamberlain, MD

Orthopaedic Surgeon, Hand and Upper Extremity

Satoru Chamberlain specializes in hand and upper extremity surgery, specifically patients who have hand, finger, wrist, arm, elbow, or shoulder injuries and conditions. He joined OCR in 2002 after more than a decade of practicing at hospitals and owning a private practice in Australia and England. He completed medical school at the University of Queensland in Australia, and his fellowship at the prestigious Pulvertaft Hand Centre in Derby, UK.

Robert Benz, MD

Orthopaedic Surgeon, Spine Surgery

Robert Benz specializes in spine surgery, specifically disorders of the back, neck, and spine. He joined OCR in 2000 after completing his fellowship in spinal surgery at Syracuse University, and residency in orthopaedic surgery at the University of California at San Diego. He earned his bachelor's degree at the University of Illinois at Urbana-Champaign and his MD at the University of Illinois at Chicago.

C. Dana Clark, MD

Orthopaedic Surgeon, Hip-Knee Replacements

Dana Clark specializes in joint replacement surgery (anterior hip and knee). Dr. Clark joined OCR in 2009. He earned his MD at the University of New Mexico. Dr. Clark completed his residency at the University of South Carolina/Greenville Hospital System, and fellowship in joint replacement at the University of Utah.

Andrew Stith, MD

Orthopaedic Surgeon, Foot-Ankle

Andrew Stith specializes in athletic and reconstructive surgery of the foot and ankle. Dr. Stith joined OCR in 2019. He earned his MD at Oregon Health Sciences University and completed his residency at Grand Rapids Medical Education Partners, where he was named Orthopaedic Resident of the Year. He completed his fellowship at Coughlin Foot and Ankle Clinic.

CONFERENCE PRESENTERS continued

Riley Hale, MD

Orthopaedic Surgeon, Hip Replacement and Trauma-Fractures

Riley Hale specializes in anterior hip replacement and trauma-fracture surgery. He joined OCR in 2016 after five years of practice with a health system in northern Colorado. Dr. Hale completed medical school at the University of Nevada, his residency at the Mayo Clinic, and a fellowship in orthopaedic trauma at Florida Orthopaedic Institute-Tampa General Hospital.

Chris Stockburger, MD

Orthopaedic Surgeon, Hand Surgery

Chris Stockburger specializes in surgery of the hand and upper extremity. He earned his MD from Washington University in St. Louis, where he also completed his residency in the Department of Orthopaedics. He completed his fellowship at the University of Utah. Dr. Stockburger earned his bachelor's degree from the University of Colorado. He joined OCR in 2019.

Jeff Ebel, DO

Sports Medicine Physician

Jeff Ebel specializes in sports medicine and non-surgical orthopaedics. He received his medical degree from Des Moines University Osteopathic School of Medicine in Iowa; completed his WW Knight Family Medicine Residency at ProMedica Toledo Hospital in Ohio; and concluded his fellowship at ProMedica Sports Care at the University of Toledo, also located in Ohio. He is actively involved in several research projects.

Ben Giltinan

OCR Orthopaedic Technician

A long-time employee of OCR, Ben has spent many years taking care of patients in our cast room and providing them with both basic and custom cast-splint-brace services. He regularly instructs on splinting and casting techniques. During his OCR career, Ben has also served as purchasing manager. His current position is DME Manager.
