Adult Reconstructive Total Joint Surgeon

The Orthopaedic & Spine Center of the Rockies (OCR) is seeking a fellowship-trained total joint surgeon to join our esteemed team. Located in northern Colorado, we are the largest independent, orthopedic practice serving patients from Colorado, Wyoming, Nebraska, and beyond. Given our exceptional quality of practice, high standards for patient care, strong governance, and an expert leadership team, OCR is consistently ranked as one of the top practices in the United States.

With 3,200+ total joint surgeries performed annually, this position offers an exceptional opportunity for a motivated surgeon to build a thriving total joint practice in our North Denver Market of Longmont, Westminster, and Lafayette. The role will be focused on developing a primary joint practice but must be able to do anterior hips and hip/knee revisions. Trauma call is required but has a dedicated trauma team to support our elective surgeons. Surgical procedures will be performed in both hospital and ambulatory surgery center settings, including the OCR Longmont Ambulatory Surgery Center.

The ideal candidate would have one-to-five years experience but would consider a highly motivated fellowship-trained graduate with great references! OCR offers a partnership track and a practice environment second to none!

OCR (Orthohealth.com) is a private, physician-owned medical group with nearly 100 providers, including 49 physicians. Offering a full spectrum of orthopedic subspecialties, including: Adult and Pediatric Spine Surgery, Athletic & Reconstructive Surgery of the Foot & Ankle, Hand & Upper Extremity Surgery, Hip Arthroscopy, Joint Replacement Surgery, Non-Operative Sports Medicine, Pediatric Orthopedic Surgery, Physical Medicine & Rehabilitation, Pain Management, Podiatric Medicine & Surgery/Diabetic Foot & Wound Care, Sports Concussion Neuropsychology, and Trauma & Fracture Surgery.

OCR was founded in 1969 (55+ years) in Fort Collins, CO, and has six medical campuses in Fort Collins, Loveland, Greeley, Longmont, Lafayette, and Westminster. OCR serves patients from the regions of Northern Colorado, Wyoming, and Nebraska.

OCR is a member of a large collaboration of 100+ independently-owned Orthopedic specialty groups across 37 states (Theorthoforum.com/about-us).
